SYDNEY'S DESTINATION FOR UNFORGETTABLE EVENTS

Rydges Sydney Central offers a fresh approach to conferencing and celebrations in the heart of Surry Hills. Just moments from Central Station, the hotel connects guests to Sydney's creative energy, culinary culture and vibrant urban setting — making events seamless and accessible.

With a range of purpose-built function rooms, generous pre-function spaces and a panoramic rooftop, Rydges Sydney Central is designed to host everything from gala dinners and meetings to brand events and celebrations. Thoughtful design and flexible spaces allow organisers to create impactful events with ease.

Our events are defined by menus that showcase local and seasonal Australian produce. Choose from shared banquets, contemporary canapés or refined plated menus, complemented by a curated beverage selection from Sydney Brewery Surry Hills. From energising day delegate packages to elegant evening dining, every menu is designed to reflect a strong sense of place.

From large-scale conferences to rooftop celebrations, our award-winning team is here to bring your event to life.

Environmental Sustainability

Sustainability is an integral part of how we deliver events at Rydges Sydney Central. As part of EVT, we are committed to reducing our environmental impact through responsible procurement, waste reduction and more efficient use of resources across our operations.

In partnership with Greenfleet, we support the restoration of Australian forests, with the option for event organisers to offset carbon emissions for a small per-attendee contribution. Guests may also choose to opt out of selected waste items, including paper menus and flipcharts, helping to create events that are both memorable and mindful.

EVENT ROOM CAPACITIES

Each of the 13 conference spaces has been recently refreshed to offer a sleek, professional setting. Every room features state-of-the-art technology, high-speed Wi-Fi and integrated audio-visual systems. From board meetings and seminars to corporate workshops, each space is versatile and can be tailored to your event needs.
